One: We walk in wonder beneath the sun and stars.

All: Creation is God's masterpiece, and we are blessed to share it.

One: We give thanks for the air, the land, and the water,

All: and for all the creatures joined together in the web of life.

One: Beauty is before us, around us, over us and beneath us.

All: We join our hearts, minds, and spirits as one in thanks and awe.

Opening Prayer (*unison*) Robby Mignogna

God of wonders, your name is holy.

Your ways are holy; your world is holy.

As we attempt to live lives that mirror great faithfulness,

let us wonder in awe at the ground beneath our feet.

Let us trust the steps you have given us to take.

Let awe and reverence give us the courage we need

as we walk ever closer to you.

Amen.
