*"I will honor Christmas in my heart, and try to keep it all the year."* – Charles Dickens

Dear Friends,

By the time you read this, Christmas may already feel like a distant memory. With the tree taken down, the decorations wrapped and packed lovingly away for another year, family returned home and the New Year diet underway, you may feel like it's back to business as usual.

But pause for a moment and recall that Christmas is more than just a day. It is more than a twelve-day season in the church. Christmas is the gift God gives us anew each morning. It is the reminder that God is present among us every day. For with the coming of Emmanuel, God-with-us, we are reminded that God's love for us is so great that God sent us this amazing gift, this innocent child who will transform the world.

This is not a gift to stick in the back of the closet. It is not something for which we write a thank you note and then forget about it as everyday life overwhelms us. This is a gift to be cherished each and every moment, a present to examine and ponder fresh each morning.

When the everyday messiness of our world sets in, when we sense ourselves slipping back into our ordinary routines, we must pause to remember that Christmas lives on in our hearts . . . recall that Jesus points the way to another way of living. With this gift, each of us is challenged to love one another, to do justice, to offer a hand to those in need.

Sometimes, when the holiday is over, we need to spend a few minutes figuring out what to do with our new gifts. Where will the new TV go? With which outfit will I wear my new jewelry? How will I fit this new drill set into my toolbox? We pause to adjust things, to make space for that which is new.

As we pack away the material signs of Christmas this year, how will we make space in our lives for God's incredible gift to us? How will we rearrange our lives to share more love and grace? As we begin this New Year, I pray that each of us will find ways to honor God's Christmas gift in our hearts all year long.

Merry Christmas!

*Vicki*

Our Advent and Christmas Eve worship services were meaningful and engaging thanks to the hard work of so many staff members and volunteers! Thanks to all who worshiped with us during this time and especially:

- Those who participated in our dramatic scripture readings that brought the stories of angel messengers to life in poignant ways. It was wonderful to have people of all ages share their thespian skills to enrich our worship.
- The families who lit our Advent wreath each week which included families with children, grandparents and grandkids, spouses and families of choice.
- The intrepid group of carolers who brought smiles to so many homebound members with their visits. Special thanks to Peggy Jo Shinagawa who purchased poinsettia plants to share with our friends.
- Mary Ann Boyson, Toni Foster, Dan Allen, Joan Reike and Mari Hageman who prepared the beautiful nativity characters that enhanced our Christmas Eve services and those who transformed them into stunning purveyors of the nativity story: Sue Sullivan, Linda Zelazny, Dan Kershner, Rose Brown, Dan Allen, Joan Reike, the Antil family, Toni Foster, Lena Wright, Oliver Mason, Joy Wyatt, Kristen Walenga and Carol King Shaw.
- Rose Brown and her team of dedicated ushers and greeters as well as our talented tech team who ensured that every worship service ran smoothly.
- Our intrepid and dedicated staff. As we have come to expect, but never want to take for granted, Beth, Thea and Brooke were on top of every detail throughout the season, making sure all was ready and able to run smoothly each and every day. Without them, it is hard to imagine how we would manage! Our newest staff member, Allison, was able to prepare five different bulletins in one week without breaking a sweat. Jake worked tirelessly to prepare the building and made sure everything looked spectacular for our guests on Christmas Eve. Oliver prepared a wonderful Federated Winter Wonderland that engaged the kid in all of us and prepared goody bags for each child who joined us on Christmas Eve. Susi and Judy were instrumental in creating a lovely Solstice Service and offered respite for Vicki in the early days of January which she greatly appreciates.
- Finally, the extremely talented music team under the leadership of Joshua Konow who enhanced worship with their astounding music. Worship is so much richer when expressed with music and we are blessed by such incredible talent! From the amazing children's musical Pat directed to Marcia playing 35 different pieces on Christmas Eve alone, to our beautiful soloists, thank you does not seem like enough to say for all the hours spent rehearsing and preparing!

## Through the 2025 Christmas Eve Offering

The Mission and Service Commission is excited to announce that  
RePlay for Kids has been selected to receive  
the 2025 Christmas Eve Offering.

The mission of **RePlay for Kids** is to increase the availability of toys and assistive devices for children with disabilities. We repair, adapt and distribute toys and assistive devices free of charge. In so doing, we strive to raise awareness and increase the number and variety of toys and devices available to the children who need them.

**RePlay for Kids** believes that every child needs to play and our offering will give many more children the opportunity to play and learn.

The Mission and Service Commission looks forward to sharing more information in the coming season of Joy

There is still time to support this wonderful organization through our Christmas Eve Offering. You may give [HERE](#), place a gift in the church offering marked *Christmas Eve Offering*, or visit [fedchurch.org/giving](http://fedchurch.org/giving) to contribute online. Thank you for your generosity!

- **Spiritual Formation Commission** – Spiritual growth/Christian development, retreat planning, book discussion planning, and adult education
- **Human Resources Committee** – Reviews staffing levels, compensation and benefits, job descriptions, etc. (*HR background required*)
- **Legacy Committee** – Manages and promotes the Legacy fund; meets four times per year
- **Generosity Commission** – Creates strategy and celebrates financial commitments, gifts of time, and gifts of talent; works with other committees and commissions on practices of generosity

## \$1,500 RAISED

### ST. PAUL'S TOY DRIVE UPDATE

On December 7<sup>th</sup> we had a bake sale and raised over \$1500 for toys for St Paul's Church. We had amazing help to make some delicious treats during service and then took our youth group out to shop using those funds! We got the following email from St Paul's In Thanks:

“Your actions resonate like an abundance of love coming from your church. We had wrapping stations, cookies, cocoa, and treats. Our youth cleaned up and helped as they could. Plenty of customers came – new immigrant families from Afghanistan plus a mix of usual and new customers. About \$1200 in support was made from Toys and Thrift... on behalf of St Paul’s Thrift, youth group, and members we send great gratitude.”

# Social Justice Advocacy Ministry (SJAM)

## Social and Environmental Justice (SJAM) News

The mission of the Social Justice Advocacy Ministry is to be a voice and witness to God's love for all people and creation and to advocate for justice for those who are marginalized, discriminated against and denied their inherent rights as children of God and citizens of our nation and world.

We strive to become well informed, provide opportunities to educate ourselves, balanced with opportunities to take action. Live Our Faith!

America is at a tipping point. The freedoms that our ancestors fought for and many of us marched for are under attack. Voting rights, due process of law (ICE), workers' rights, environmental protections, freedom to teach, and more are all being threatened. On Jan. 24, REB and SURJ NEO will host an interactive workshop designed to equip us with the tools necessary to effectively fight back against the authoritarian wave sweeping America. You are invited and encouraged to attend.

Dr. King could well have been speaking about 2026 when he uttered the phrase "the fierce urgency of now". "We are now faced with the fact that tomorrow is today. We are confronted with the fierce urgency of now. In this unfolding conundrum of life and history, there "is" such a thing as being too late. This is no time for apathy or complacency. This is a time for vigorous and positive action."

Fred Hampton wisely noted: "Nothing is more important than stopping fascism, because fascism will stop us all."

These times require solidarity among the progressive and anti-racist groups and organizations. Whatever your passion regarding social justice is: whether it is criminal justice reform, voter rights, fair housing, policing, poverty, racism, immigration, reproductive rights, education, ICE, LGBTQ+ rights, or other social justice issues, this workshop on Saturday, Jan. 24, will equip us with plans rooted in non-violent actions and strategies to fight fascism and promote democracy.

## Creation Care Tip of the Month

### Winter sowing native seeds

Try growing native perennials the easy way this winter. This outdoor method gives seeds the chill and moisture they need, while the jug acts like a tiny greenhouse. It also helps support local wildlife. Steps:

- Gather a clear gallon jug, light potting soil, and native seeds.
- Add drainage holes.
- Cut the top so it opens like a lid.
- Add moist soil.
- Sow seeds lightly.
- Label the jug inside and out.
- Water with a spray bottle and close the lid. Keep the cap off.
- Place outside in a sunny, protected area.
- Watch for sprouts in early spring.
- Vent on warm days once seedlings appear.
- Transplant when they grow their first true leaves.

For more information, search "winter seed sowing" or visit:

## LIGHTS FOR LIONS COLLECTION

Federated's Mission & Service Commission and Creation Care Ministry are teaming up to collect non-working Christmas lights and electrical cords to benefit the Lights for Lions program at the Cleveland Metroparks Zoo. This is the second year of this joint project with Advent Lutheran Church and Church of the Resurrection in Solon.

Cleveland Metroparks Zoo supports the work of [Lion Landscapes](#) using revenue generated from recycling the copper found in donated light strings and electrical cords. These funds directly benefit conservation initiatives that protect large carnivores – including lions, leopards, cheetahs, African wild dogs, and spotted hyenas – along with their habitats. The program also helps local communities and livestock coexist safely alongside these iconic species, creating a lasting impact for both people and wildlife.

## Celebrating, Convening, and Connecting Among Diverse Communities

**Treat yourself and friends to a visit to an extraordinary quilt & doll exhibit at the Family Life Center.**

When public platforms invite people whose voices are often overlooked to share their craft, and tell their stories, it communicates a powerful message,  
***You matter!***

**All About Us: Our Quilts & Dolls Exhibit** spotlights the masterful works of the [African American Quilt and Doll Guild](#). Due to a generous grant from *Cuyahoga Arts and Culture* to the *Community Life Collaborative*, guests to the Family Life Center can enjoy a vibrant display of hand-crafted quilts and dolls, encountering the stories of creativity, tradition, and social justice.

These remarkable pieces celebrate culture, history, and community through the art of quilting. Guild Members convene monthly at the Warrensville Heights Public Library to exchange craft tips and resources, share sources of inspiration, and support one another.

A Quilting Workshop at the FLC is being developed for later in 2026. Watch for emails or details in Federated's Spire.

The Gallery remains open to the public **Mondays\* through Thursdays 10:30am-3:30pm from now through February 14, 2026**. For more information, leave a message at 440-708-1961 or visit the [Community Life Collaborative](#) website.

# Fellowship Treats

Federated members take turns bringing treats for Fellowship Hour each Sunday, as scheduled by the Congregational Care Commission. Of course, anyone is welcome to bring treats at any time!

Please bring ready-to-serve treats in disposable containers. Healthy food choices are especially welcome. *Please no nuts.* Thank you for helping to make our Fellowship time delicious and enjoyable!
